H. Bates, for a number of years chief telegraph operator on the Cleveland and Pitts burg Railroad, died at Rootstown on Fr 146 Superior-st., opposite the Weddell day. His remains were taken to Erie, Pa. for interment. His disease was typhoid fever, and suddenly terminated his exis-

> why the Cholera never attacks boys, is that "they never talk about it." Their minds ire so constantly engaged in stealing appatches, and other innocent amusements, that they have no time to imbibe the preconitory symptoms, low spirits, bad whisky

Ogdensburgh, Cape Vincent & Oswege, Esquirer of Monday says:—On yesterday we noticed a new style of bonnet, which is white string carried around the head and The financial condition is nearly the sam

wants quite as essential, and to enable the institute to give advantages commensurate with its increasing patronage it should have placed shaking dice with another man, the subsequently proved to be his chum, bet, of course, followed, and No. 1, of course, lost, but he previously berrowed the bave amount from Dimode to fill up the bave amount from Dimode to fill up the bave amount from Dimode to fill up the carry co-operation of the brethren of the make. After the awindle the twe thieves made a suiden exit, leaving the discontage of the carry co-operation of the brethren of the carry co-operation of the brethre where the charper who took him in com-menced shaking dice with another man, who subsequently proved to be his chum. A bet, of course, followed, and No. 1, of make. After the swindle the two thieves milate. "Bookaye" to the sad reflection that he knew but little more of the ways of the A. C. Williams, Secretary, world than he was cuttled to.

Willoughby, O., July 19th, 1866.

ERIE CONFERENCE.

y's Scutter Busto Willoughby Collegiate Institu

PAINESVILLE, July 12, 1866. The Conference met at S a. m. The ses n was opened with prayer by Rev. J. The Secretary's report was then read and

rief report of yesterday's proceedings, The Presiding Elders were made a con nittee on Missionary Appropriations in the onference.

Conference ordered an additional column

The following items, not given in ou

f Sunday School Statistics for missionary noney contributed by the Sunday Schools The following resolution was passed : Resolved, That the Committee on Conference Claimants be instructed in the dis-bursement of funds for Conference Claimants to have respect to the term of service rendered, as well as the financial condition of each claimant on said funds. The Stewards were made a committee on

The name of J. O. Fisher was called whe his Elder of Erie District reprited that he had been suspended during the year, and on motion, the Bishop was ordered to appoint a committee of fitteen, before whom he is to appear for trial.

The names of J. E. Wilson, A. N. Coons

The names of J. E. Wilson, A. N. Coons and Wm. Patterson, were called, and were reported as having gone to their rest.

The committee on public worship were requested to set some time during the present assaion for holding memorial services of our deceased brethren, and the Presiding Elders are to appoint speakers for the occasion.

N. Norton offered the following resolution

N. Norton offered the following resolution which passed:
Warseas, Our venerable brother, Ira Eddy, has completed his fiftieth year in the itinerant ministry, having bean nearly all the time in the effective ranks, therefore, Resolved, That he be and is hereby requested to favor the Conference, during the present session, with a semi-centennial sermon, having especial reference to his own experiences and observations in the ministry. The wheels of the car of Methodism

The wheels of the car of Methodism have been rolling a hundred years on American soil, and here is an old veteran who has had his shoulder at the wheel for half that length of time. It will be a privilege to hear Father Eddy's experience in the green wood with wolves in their own skins, and "wolves in sheep clothing"—his aps and dows. Ao.

This examination of the Elders and Preschers in the following districts took place: Cleveland, Ravenna, Eric and Warren. The Elders passed finely, being reprial addresses were delivered by Revs. W given, together with such anecdotes and place: Cleveland, Ravenna, Erie and Warren. The Elders passed finely, being represented by the preachers in their respective districts. The preachers, in turn, were
represented by their Elders—the result
gave them an advantage, and showing, with
few exceptions, improvements in churches
and parsonages was considerable: revivals
quite general, a goodly number of accessions having been made to the church
tertaining the large numbers in attendance
tertaining the large numbers in attendance some having been made to the church benevolent contributions generally were in creased—in one instance 100 per cent. A. R. Hammend (a preacher in the Ra venna district.) on motion, was declared "withdrawn under charges." upon the sessions of the Conference in the that that at least three hundred are in the city and the entire number are provided for within easy distance of the place of meet-

fuced as visitors : Painesville; Rev. H. L. Parish, North Ohio Enference; Rev. Mr. Axtell, Rocky River Rev. Mr. Malee, of Indiana Conference: Dr. Howe and Profs. Hyde and Comfort, of Alogheny College.

After the reading of the Secretary's

port, the following gentlemen were intro

of great interest to occasional attendants. The Sunday School Anniversary and The examination of effective Elders was Children's Meeting will be held on Saturresumed for the districts of Meadville, New day afternoon, and addressed by Rev. J. Had you taken this gental tonic as a prevently , you would nius, bound from Erie to Toledo, coal have no need of it as a cere, for it remiers the aden, sprung a leak in the lake off Con- system impersions to all missmatic fevers. But since you neglected the precaution, rid yourselve above the west pier. The tug Peter Smith, only reliable remedy. Break the chills with of Cleveland, with the assistance of a steam HOSTETTER'S BITTERS, and they will return no more. This is the experience of thousands and it will be yours. Quinine is a slow means o relief; it is nauseous to the last degree; it is men dangerous than the malafy itself; in many cas it utterly fails. How different is the effect of th Bitters. Their curative action is rapid; they are agreeable to the palate; they are not only entire ly harmless, but tend turvitably to strengthen the metitation and prolong life, they never have failed, and it is confidently assumed that they nover can fail in any case of Fever and Ague, how ver inveterate in itscharacter. To be without ROSTRITER'S BITTERS in any region infected

>
> A Remedy for the Piles.—It is a blessing to the suffering to know that we have an effectual cure for this truly troublesome disease. Mr. J. P. Hazarde, of 164 Second street, Cincinnati, Shio, manato, or les second street, chrimman, dono, takes great pleasure in informing all who are suffering with piles, that he used a small quantity of Dr. Strickland's Pile Remody, and it effected a permanent cure. This seems to be the case with all manufactured at No. 6 East Fourth street, Glacin manufactured at No. 6 East Fourth street, Glacin

FINANCIAL & COMMERCIAL

THURSDAY EVERING, July 12, 1866. In the local money market a more activ demand for loans was experienced to-day and a closer turn was given to currency The banks are supplying the wants of customers quite fully, but are compelled to curail accommodations to some extent. Exchange on the East is in comfortable supply, though there is no superabundance. lates are stendy at 1@4 discount buying large lots:
and par selling.

Test quality, \$210. and par selling.
Gold was again stronger in New York to

day, the price closing at 10 o'clock at 1514. overnment securities continue strong, and old bonds steadily advance, with an activ oreign and investment demand.

In this market prices of coin and govern and steady. The demand for all commo-

dealers. We heard of no important transactions in Flour to-day, but prices are fully maintained, and in the higher grades the market rules firm. The demand for Spring Wheat was rather better to-day, an the market was steady at \$2,25; other varieties were neglected. Corn was quiet 51 Merwin street, report the market uncha and unchanged. Oats were inactive and
